

New Brunswick Federation of Woodlot Owners
Fédération des propriétaires de lots boisés du Nouveau-Brunswick

Good day!

This is a reminder that if you would like to attend one of the **4 field day workshops** around the province this month, time is running out to register!

The workshops are part of our "**Climate Smart Woodlot Management**" project, funded through the Environmental Trust Fund.

[More information and register](#)

4 locations:

- Windsor (Carleton County) on October 16, 2024
- Shannon (Queens County) on October 18, 2024
- Sypher's Cove (Grand Lake) on October 22, 2024
- South Tetagouche (near Bathurst) on October 28, 2024

Each workshop will start with a presentation in the morning and then a site visit to a local woodlot. Registration is required, Click the button below for more details and to register.
